Introduction

The 34th ASCIA Annual Conference will be held at the Adelaide Convention Centre from Tuesday 3rd to Friday 6th September 2024. The program will include:

- Current allergy and clinical immunology issues and research presented by more than 60 speakers.
- Main sessions that will focus on:
 - Food Allergy, Wednesday 4th September.
 - Drug, Insect and Respiratory Allergy, Thursday 5th September.
 - Immunodeficiency and Autoimmunity, Friday 6th September.
- Immunodeficiency Update for Nurses - Thursday 5th September.
- Concurrent Allergy Updates for Nurses and Dietitians - Friday 6th September.
- Allergy Update for Medical Practitioners - Friday 6th September.
- Presentations of Clinical Grand Rounds (CGR) cases - Tuesday 3rd September.
- Sponsored sessions from Wednesday to Friday.
- Recording of all sessions, to enable on demand viewing, resulting in further CPD opportunities.

The ASCIA 2024 Conference will provide an international standard of CPD for ASCIA members and other health professionals working in allergy and clinical immunology. It also provides an opportunity for important in-person interactions.

This is a hybrid conference, which enables virtual registration for delegates who cannot attend in-person, and on-demand viewing of sessions for all registered delegates after the conference.

We look forward to your involvement.

Dr Jovanka King

A/Professor Theresa Cole
