

ASCIA CONFERENCE

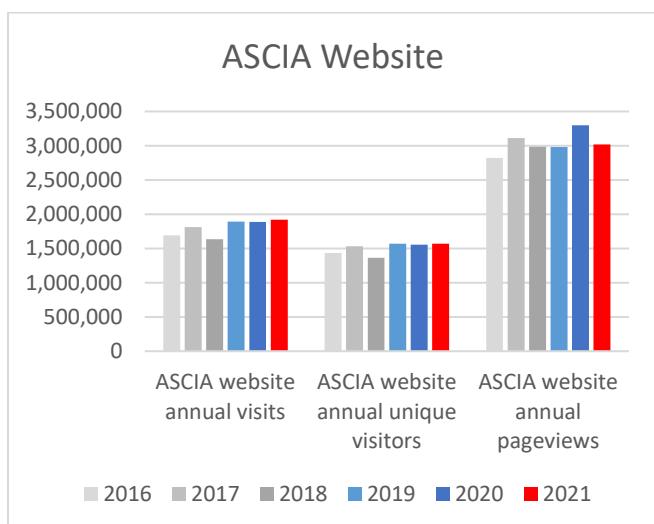

The ASCIA 2021 Conference will be held as a virtual event from 1st to 3rd September 2021. Responses to the decision to go virtual have been exceptionally positive.

More than 60 speakers, including 12 international experts will present on a range of topics in an outstanding program. <https://ascia2021.com>

ASCIA WEBSITE

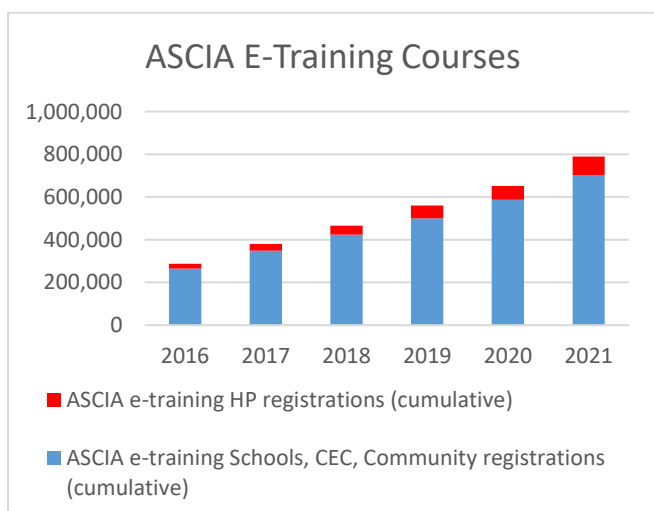

The ASCIA website has continued to be an extremely well visited and reliable source of more than 330 accessible, consistent and evidence-based online resources.

From 1 July 2020 to 30 June 2021 there were more than 3 million pageviews, 1.9 million visits and 1.5 unique visitors to the ASCIA website. www.allergy.org.au

ASCIA E-TRAINING

ASCIA has continued to provide world leading online training, with more than 780,000 registrations since 2010. www.allergy.org.au/about-ascia/about-ascia-e-training

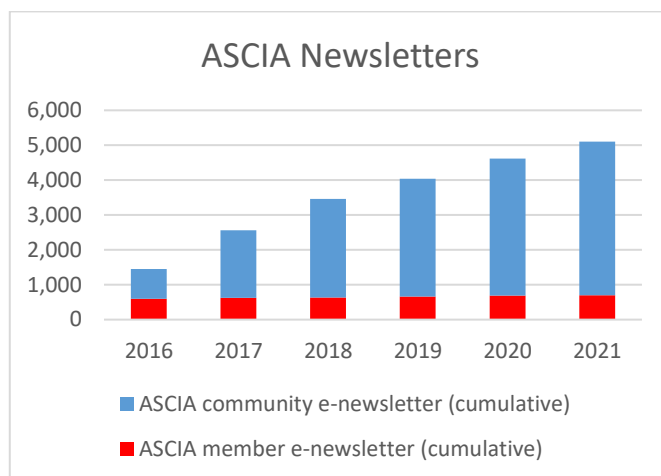

ADVOCACY

ASCIA lodged 15 submissions on behalf of members from 1 July 2020 to 30 June 2021, including another Parliamentary Inquiry submission. www.allergy.org.au/ascia-reports#s1

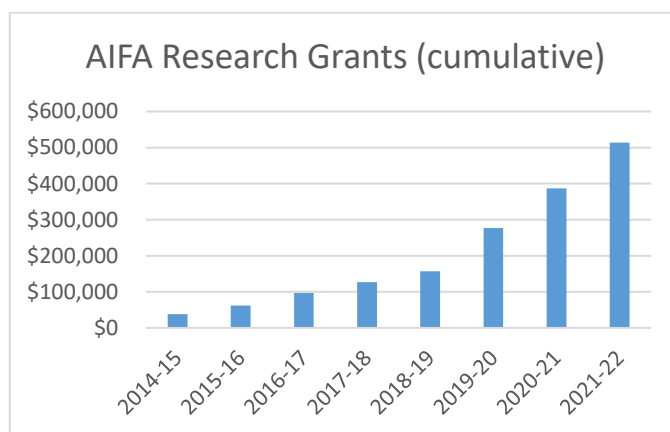

COMMUNICATION

ASCIA e-newsletters have continued to keep more than 5,000 subscribers (members and community) informed each month about allergy and immunology information updates.

RESEARCH

By September 2021 more than \$500,000 will have been awarded in AIFA research grants since the program commenced in 2015. www.allergyimmunology.org.au

PLANS FOR 2021-2022

ASCIA's plans for 2021-2022 include:

- Hosting of the ASCIA Annual Conferences.
- Launch of the ASCIA Immunodeficiency Strategy.
- Further expansion of:
 - ASCIA online resources, e-training courses, member services, advocacy and communications.
 - AIFA research grant program.
 - National Allergy Strategy.
